

Miracle

Short Description

Sex : Filly

Colour: Dark Brown

Micro-chip no. 850822

DOB: 1/5/25

Size:

Comment: This little one was orphaned at 2 weeks old, and it is only with the care of our volunteers that she has survived. She has grown into a bold and clever pony, and is ready to be homed, she needs an experienced handler due to being an orphan foal.
